Renewa moisturizing gel socks:

- **Helps moisturize & soften your feet**
- **Heals cracked heels**
- **Softens feet and prevents build-up of hard skin**

The gel socks contain Hypo-allergenic Gel and are washable & reusable. **The self-activating gel contains Jojoba Oil, Olive Oil, Vitamin E and Lavender Oil.** These ingredients are specially selected for their hydrating and conditioning properties. They deeply penetrate rough, dry skin and lock-in moisture. Result, your feet feel softer and suppler.

20 minutes of pampering a day will turn dry, unattractive feet into sandal-ready stunners. Simply slip-on the Moisturizing Gel Socks and let them work their magic.

CAUTION : Consult your Doctor or Podiatrist before wearing Gel Socks, if you suffer from diabetes or poor circulation. Do not wear Gel Socks on open wounds, or broken or abraded skin. Do not wear Gel Heel Socks if you have a skin condition such as Psoriasis or Eczema. Gel Socks are designed for home wear and should not be worn with shoes.
